

The Hallmark of Excellence

Complete customer satisfaction is always a top priority at Sterling and the quality ethos extends to the after sales service and market-leading manufacturer's warranty package that comes with every new Sterling caravan.

This is designed to give owners confidence in the latest generation of touring caravans.

Six-year bodyshell integrity guarantee

The guarantee extends to the following items: Body leaks and delamination: water ingress through any permanently sealed seam joints or delamination of panels and floor, being part of the original manufacturer's construction. The manufacturer will honour the guarantee for 72 months from the date of purchase, provided that the caravan has had an Annual Service including a damp meter test, within 90 days before or 60 days after each anniversary of the original date of purchase (or hire purchase). The sixth Annual Service must, however, be carried out before the expiry of the 72 month period from the original date of purchase (or hire purchase).

Three-year SuperSure manufacturer's warranty

The manufacturer will honour the warranty for 36 months from the date of purchase (or hire purchase), provided that the caravan has had an Annual Service within 90 days before or 60 days after each anniversary of the original date of purchase (or hire purchase). The third Annual Service must, however, be carried out before the expiry of the 36 month period from the original date of purchase (or hire purchase).

In the first 12 months the warranty will cover:

Faults arising from a manufacturing defect but not those which are a result of normal wear and tear or those which relate to replacement light bulbs. Also not covered under the first year are faults resulting from accidental damage or damage caused by misuse of any component part of the caravan.

In the years two and three the warranty will cover:

- 1 Original components of the caravan including permanently fitted equipment forming part of the manufacturer's original specification.*
2. Water ingress and body delamination.

* There are certain exclusions. For the full terms and conditions of these Warranties please refer to the warranty section in the Owner's, Service and Warranty Handbook, or check the details on our website.

Details of your nearest authorised Sterling Service Centre can be obtained by contacting the Swift Group Customer Care Department on 01482 875740 or enquiring on our website: www.sterlingcaravans.co.uk

All Sterling models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues.

The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Sterling caravan carries the 'NCC Approved Caravan' badge.

The NCC also conducts unannounced inspections at the Swift Group factory to ensure continued compliance.

NCC Approval gives you peace of mind that your caravan is legal and safe.

The Hallmark of Excellence

Rear panel

Stylish new one-piece full height moulded rear panel

Concertina flyscreen

Entrance door has an easy action concertina flyscreen

Mini Heki

Clear mini Heki rooflights in both the living and bedroom areas provide additional natural light

Radio/CD

Radio/CD/MP3 player with iPod/MP3 player connection

With its cool new exterior and Scandinavian influenced interior the brand new Europa range is designed for those that enjoy contemporary living. Spacious interiors offer class-leading headroom with modern new fabrics and re-styled furniture. Exteriors are streamlined with a completely new body shell and towing performance is enhanced by the addition of shock absorbers.

Microwave oven

Built-in microwave oven for convenience

Electronic ignition fridge

With digital control, makes ignition easy without the need to unload the fridge to check it's lit

Washroom door

Thick washroom door with domestic style lock and handle

Cooking

Stoves dual fuel hob with 800 watt electric hot plate and three gas burners

Water system

High capacity in-board water pump with chrome finished brass taps for reliable, high performance water supply

Offering a whole host of new features, the Europa range benefits from a much higher specification as standard. Kitchens are well-equipped with microwave and 107 litre digital control fridge, whilst washrooms offer a new Thetford toilet, lined shower and thick washroom door with mortice lock.

Mains lights

Stylish front locker design with recessed mains lights

Unique seats

Beech slat seat bases provide comfortable seating whilst sprung hinged tops and full-length front flaps provide easy access to under seat storage

High security lock

Security is enhanced with a high security entrance door lock with flipper style key

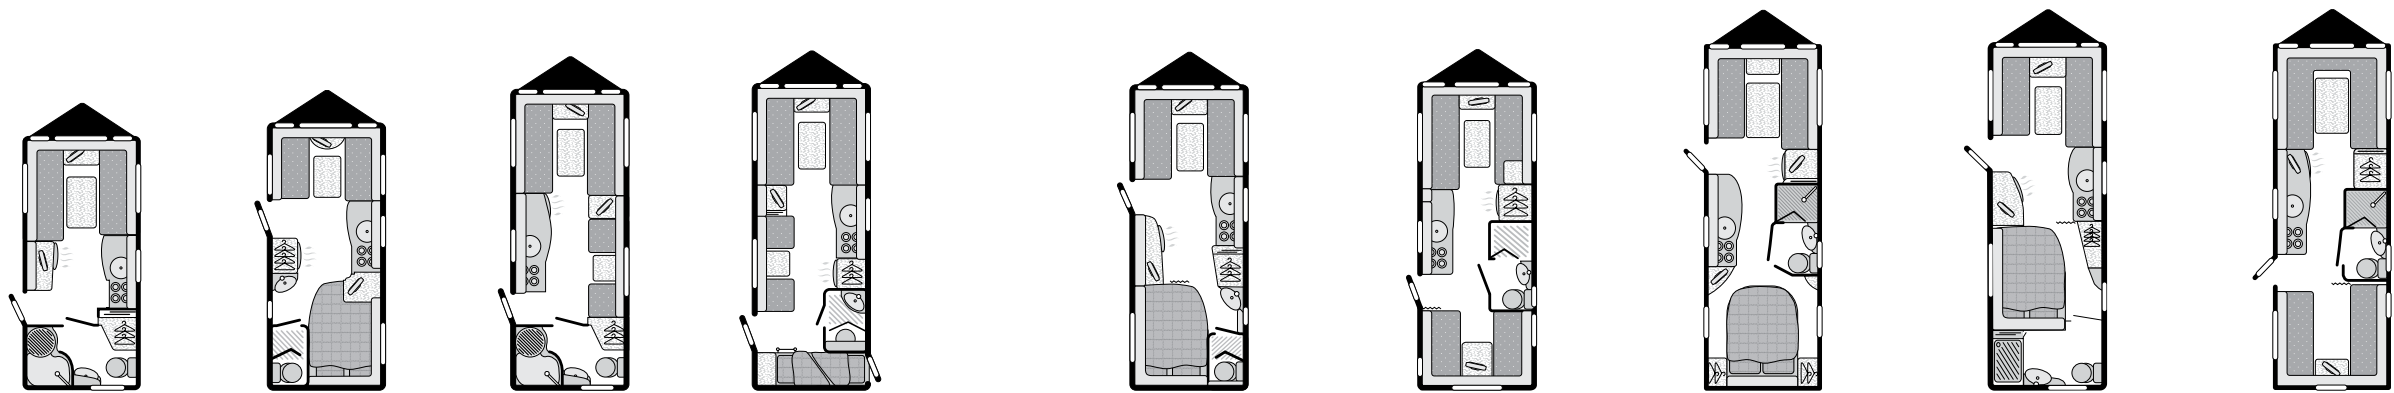

TV / electrical points

All models now have three mains sockets and a 2nd TV point near the front or rear chest

- Dual fuel hob with 800W electric hotplate
- Electronic ignition, digital control 107 litre fridge
- Showers with gloss plastic lined walls
- Thick washroom doors with domestic style locks and handles
- New Thetford toilet with electric flush and wheeled waste tank
- 40 litre underfloor insulated fresh water tank (twin-axle models)
- High capacity in-board pump with chrome finish brass taps for reliable, high performance water supply

Additional features

- Exterior**
- Exclusive new alloy wheels
 - 13-pin 'Jaeger' 12V car connector
 - AL-KO galvanised steel chassis with Euro-Axle
 - AL-KO Euro overrun device with two-way assisted handbrake

- Receiver for optional AL-KO Secure wheel lock
- Gas regulator for Propane and Butane mounted on front bulkhead
- Moulded front panel with three opening windows and door with gas strut
- Fully double-glazed opening windows (no single-glazed cold areas) with silver finished edges
- Exterior two-part door with interior moulded liner, window, blind and waste bin
- Exterior access battery box with mains electric inlet (battery not included)
- Entrance step
- Flush fitting awning light
- 25mm 'sandwich' sidewalls with HD polystyrene insulation core
- 32mm semi-'sandwich' roof with HD polystyrene insulation core
- 44mm 'sandwich' floor with Styrofoam insulation core

Interior

- Heki large tilting panoramic roof window with flynet and blind
- Cassette flyscreens and blinds on all windows
- Twin curtain track for improved hanging and ease of use
- Sprung interior mattresses, seat and backrest cushions
- Fixed beds with aluminium frames to maximise strength and storage space
- Seat and backrest ventilation boards
- Long front beds 1.90m (6'3") (model specific, see above)
- Two scatter cushions
- Two bolster cushions
- Removable carpets over woodblock effect vinyl flooring
- Removable entrance mat
- Analogue clock
- Lightweight deep worktops with matching edges
- Recessed stainless steel kitchen sink
- Removable drainer with dedicated storage

- Food grade nylon chopping board with dedicated storage
- Moulded cutlery drawer on smooth steel runners
- New soft furnishings with sprung upholstery

Equipment

- Stoves thermostatic oven and separate grill
- Glass hob lid with safety cut-out feature
- Dual fuel gas and 800W mains electric storage water heater
- Dual fuel (3kW gas and 2kW mains) central heating with electronic ignition
- Blown air ducted to living, sleeping and washroom areas
- Areas under seats and beds warmed by blown air system
- Grade 2 classification for heating and thermal insulation
- Wheeled waste water tank (twin-axle models only)
- Isolation taps for gas appliances
- Fully protected mains electric system
- Two TV stations with 230V, 12V and coax aerial sockets
- 230V socket in kitchen area
- 20 Amp switchmode charger/transformer

- 12V control panel with battery state meter, tank level indicator, car/caravan battery switch and water pump switch
- Solar panel connection provision
- 230V mains lights over front seating
- Halogen ceiling lights in living and washroom areas
- Halogen adjustable downlights in lounge/sleeping areas
- Fluorescent light in kitchen
- 25 metre mains hook-up cable

Safety and Security

- Higher tyre ratings - 10% load margin at 130kph (law permitting)
- Smoke alarm
- CRIS identity number etched to windows and caravan chassis
- Concealed security data chip within caravan construction
- All models comply with British and European safety standards
